International Network of  
Exchange

# About the project

## What is SHINE?

SHINE is a Capacity Building project funded by the EU Commission that seeks to drive the green transition and enhance energy access in Africa. A European-African consortium, involving VET providers and stakeholders from education, industry, and policy makers, is collaboratively redesigning a market-oriented VET program focused on solar panel technology.

The goal is to create an impactful program equipping young Africans with the skills for the future of work.

36

Months  
of duration

10

Organizations  
from Europe and  
Africa

## About the project

# Consortium

**10** partners from  
**6** different countries

- Mundus - Spain
- Zubigune Fundazioa - Spain
- AKMI - Greece
- INCLUDE Knowledge Platform - Netherlands
- JOBITECH - Nigeria
- Pan-Atlantic University - Nigeria
- Start-up SME Centres (SSC) - Ghana
- Suame Technical Institute - Ghana
- Kiryandongo Training Institute - Uganda
- Huys Link Vocational Training Centre - Uganda

The objectives are aligned with the priorities of the call:

Environmental sustainability

Digital dimension

Inclusion and diversity

# Objectives

The main objective is to deliver an innovative capacity building program in Solar Training in Africa. The specific objectives include:

To strengthen the evidence-base around green skills in the solar industry in Africa

To develop a hybrid capacity building program

To redesign and pilot Solar Panel technology program

To promote the employability and self-employment of learners

To encourage long-lasting international partnerships

# Workflow

How are we going to create an impactful, meaningful and replicable VET program?

# Join Us!

Join us accelerating the Green Transition by amplifying the energy access in Africa.
